

# LANE RESTRICTIONS & SHUTTLE RELOCATIONS

## Arrivals Level - Terminal B

Monday, December 9, 2019 through Saturday, June 20, 2020  
 Nightly: 1AM to 6AM

### ACTIVITY

To facilitate construction hauling activities for the future Terminal B (Tom Bradley International) APM Core, inner lanes between Terminal 3 and Terminal B will be closed Monday, December 9, 2019 through Saturday, June 20, 2020, nightly from 1AM to 6AM. Ground transportation stops at this area will be relocated nightly during the closures. Signage will be posted and traffic will be maintained at all times.

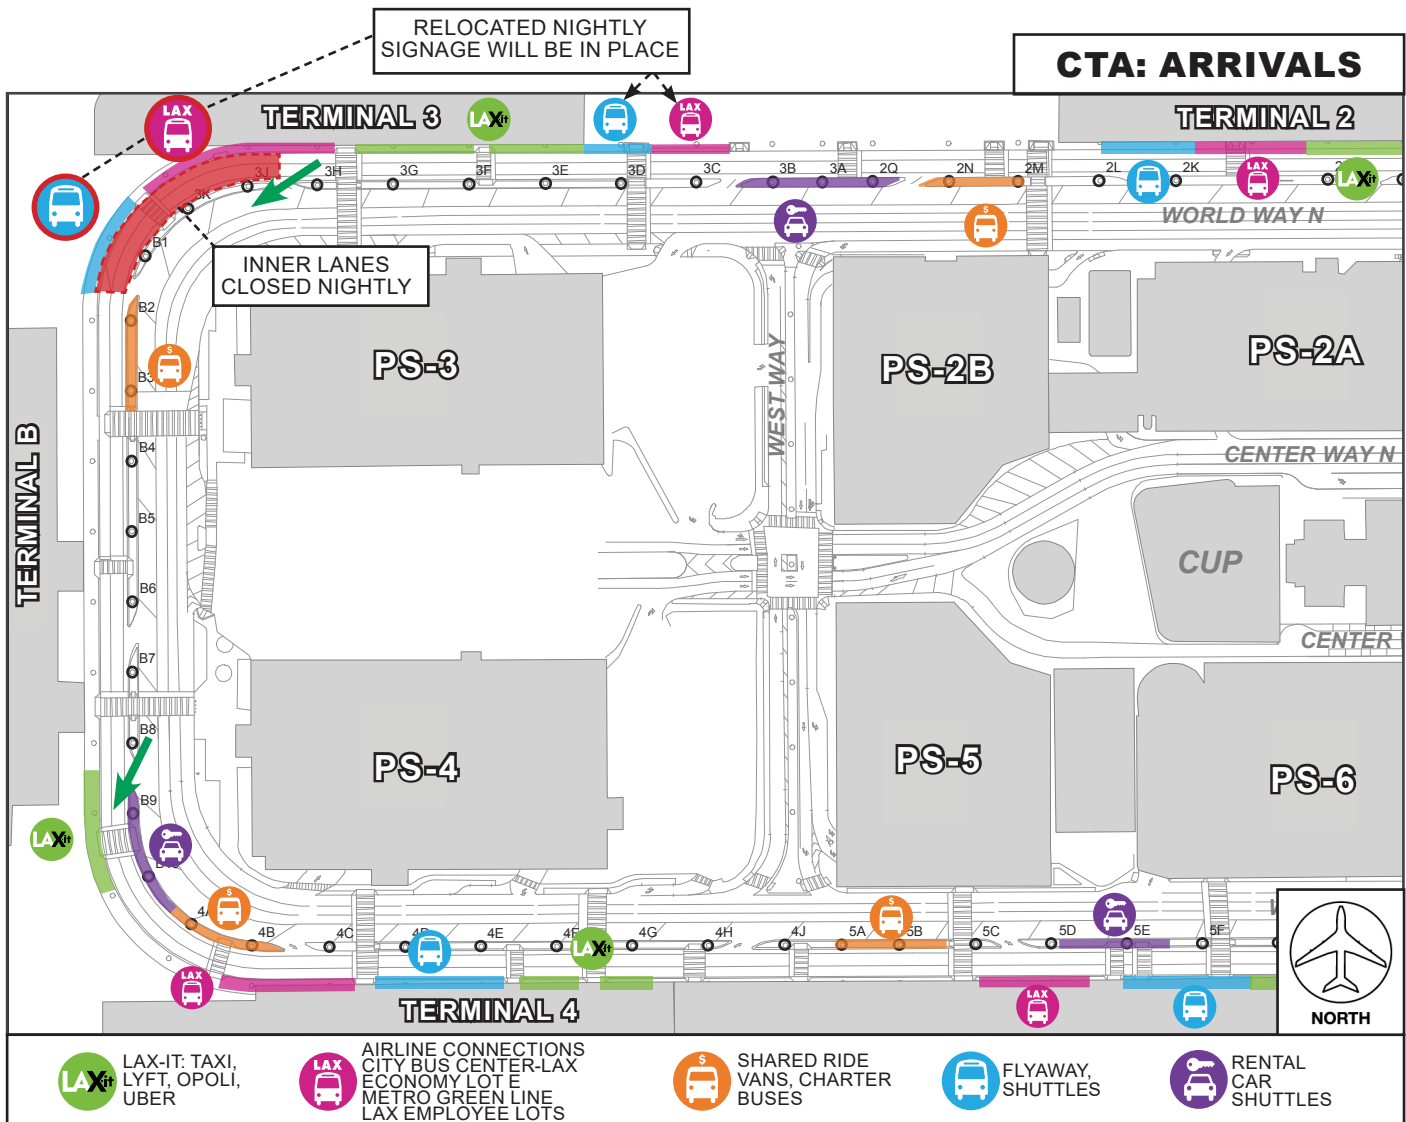

### IMPACTS

#### RESTRICTED:

- Nightly: Inner lanes at North Knuckle (area between Terminal 3 and Terminal B)
- Nightly, Relocated: LAX / Airline Connection (pink) & FlyAway (blue) shuttle stops at North Knuckle

#### MAINTAINED:

- Traffic will be maintained at all times
- All impacted shuttle stops on inner lanes (LAWA Shuttles & FlyAway) will be relocated
- Signage will be posted to guide pedestrians to next available stops as needed
