

DEPARTURES LEVEL - TERMINAL 4

Restrictions & Ground Transportation Impacts

Wednesday, February 16, 2022 through Wednesday, December 31, 2025

ACTIVITY:

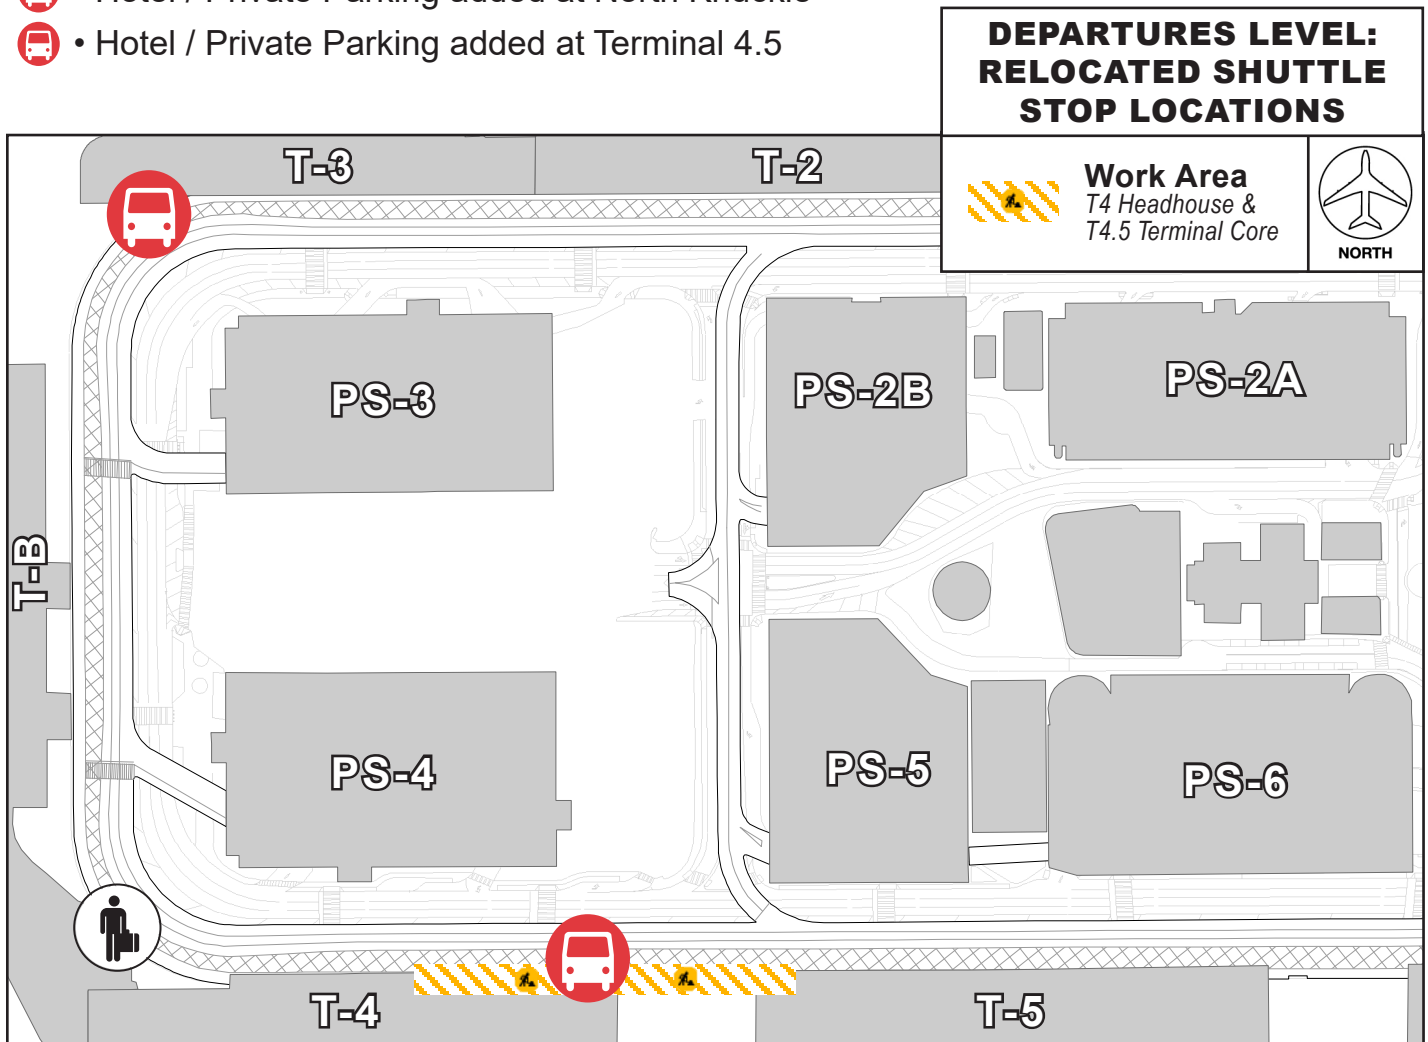

American Airlines Terminal 4 Headhouse Modernization construction activity is scheduled to begin February 16, 2022 and will be ongoing through December 31, 2025. To facilitate this work, curbside barricades will be constructed on both levels along with temporary pedestrian walkways to detour passengers and employees around work areas.

Pedestrian and vehicular traffic will be maintained at all times. Impacted Ground Transportation stops will be relocated per the below. Please watch for posted signage and use caution when traveling around construction areas.

IMPACTS:

The following Terminal 4 Departures Level changes / relocations are illustrated on the map below:

- South Knuckle designated for passenger pickup
- Hotel / Private Parking added at North Knuckle
- Hotel / Private Parking added at Terminal 4.5
