

DEPARTURES LEVEL FULL CLOSURE

Terminal 5.5 APM Pedestrian Bridge Construction

Select nights between Tuesday, April 19 and Wednesday, April 27, 2022 from 12AM to 4AM

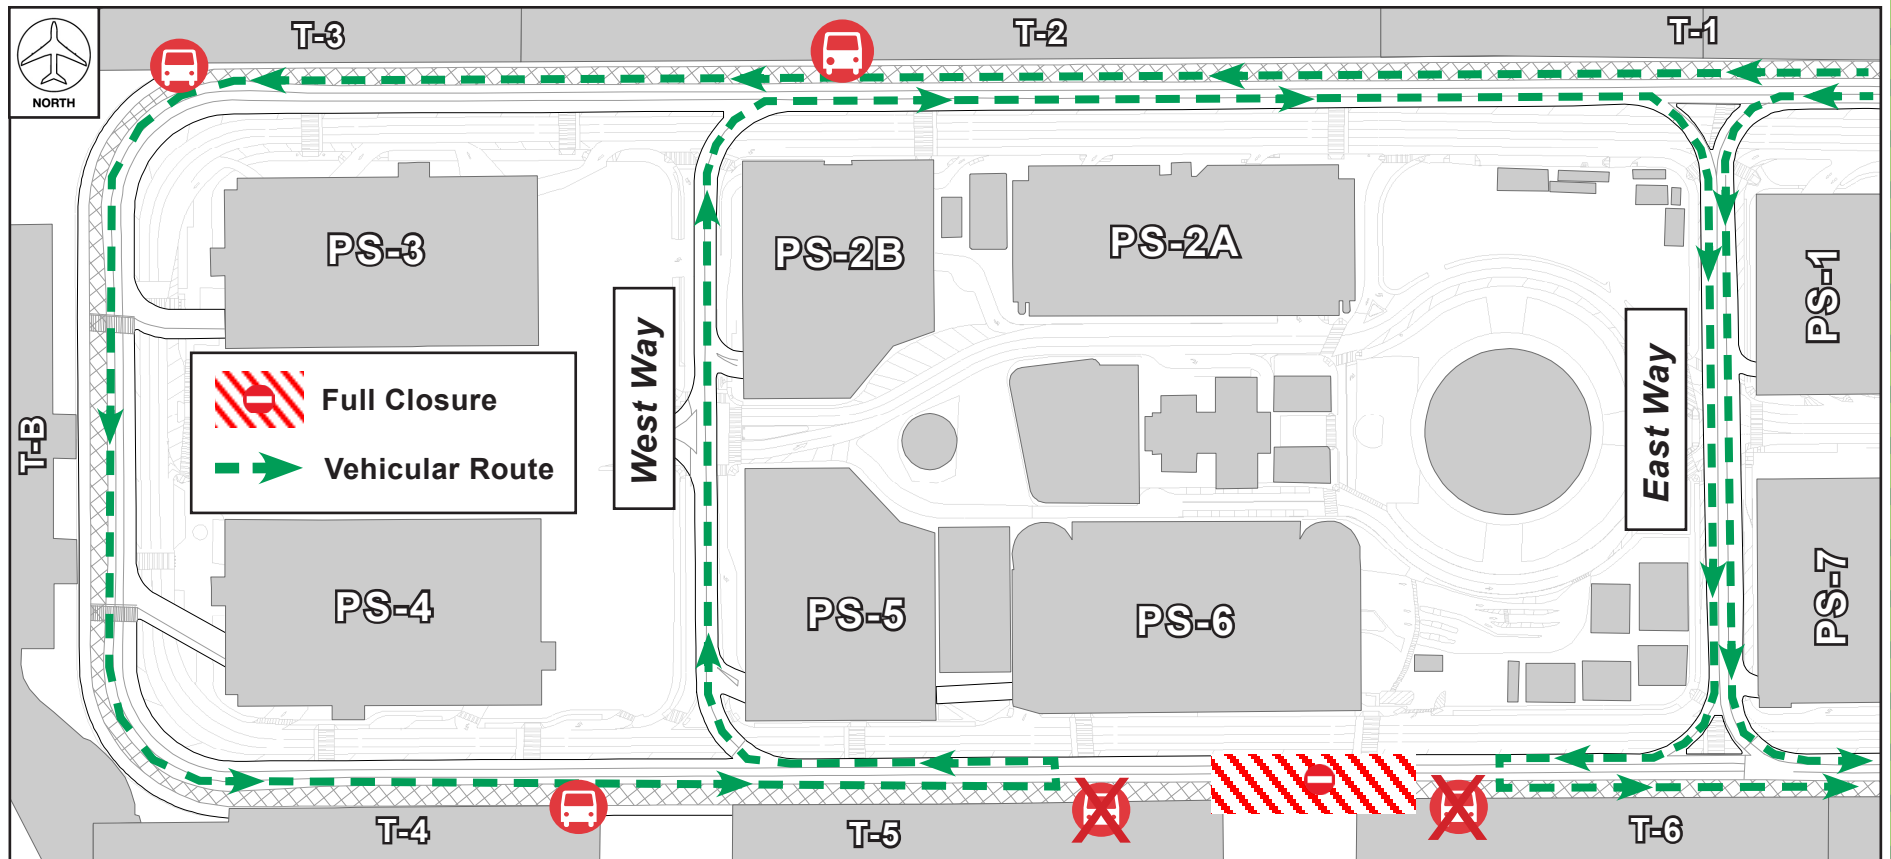

ACTIVITY

The APM project will construct a Pedestrian Bridge over the roadways between Terminals 5 and 6 to connect the APM's Center CTA Station with the Terminal 5.5 Vertical Core.

Overnight full closures of the Departures Level roadway at Terminal 5.5 are scheduled for Tuesday, April 19 through Wednesday, April 27 (no weekend work Friday nights through Sunday mornings). Construction activity will occur between the hours of 12AM and 4AM.

Traffic will be detoured per the illustration below. The Hotel & Private Parking Stops at Terminals 5 and 6 will both be closed during Departures Level full closures. Guests will be directed to the stops at Terminal 4.5 or Terminal 7 (T7 stop not pictured on map). Signage and flaggers will be in place to assist with wayfinding. Access to all terminals will be maintained at all times. Please watch for signage and prepare to follow detour routes. Use caution when traveling through construction areas.
